Forecast for Friday 24 Jun 2022

Weather: Variable amounts of cloud through the day and some sunny periods. A few heavy showers or thunderstorms are expected to develop in the afternoon, these most probable across Wester Ross and Sutherland. Lochaber and Skye currently favoured to see the driest of the weather until evening but low confidence in this aspect of the forecast.

Chance of cloud-free hill tops above 800m: 80%

Low cloud and visibility: Cloud down to 800 metres at first towards the west coast, otherwise patchy cloud above 900 metres especially near showers. Very good visibility outside of showers and cloud.

Met Office Aberdeen Meteorologist's View
Nothing to add

Forecast for Saturday 25 Jun 2022
Weather: Rain expected in the early hours, some of this heavy. Then apart from just a few showers it will be bright and often dry. Strong south to southeasterly summits winds. Some warm sunshine expected in the afternoon, especially along the west coast.

Maximum wind: Southeasterly gusting to 30 mph on the tops

Chance of cloud-free hill tops above 800m: 80%

Low cloud and visibility: Some patchy cloud down to 700 metres at first, mainly across Lochaber and Skye. Otherwise cloud largely confined to the highest peaks or above.

Temperature: **Glens:** Plus 12 rising to 20 Celsius
At 800m: Plus 10 Celsius
Freezing level: Above summits
